Missing You

As I sit here on my own,
I think of you, all alone.
I think of what we used to have,
And that makes me feel quite sad.
I know that you didn't want to go,
Because you loved your family so,
You made us laugh, you made us cry,
Then we had to say good bye.
We love and miss you every day,
Sleep well my love, my darling Frank.

Remember Me

You asked me not to forget you,
I told you I wouldn't dare,
I told you on our wedding day, just how much I cared.
I look at your picture and see your great big smile,
That fills me with happiness, love and pride.
I love and miss you every day,
The pain I have to bare,
I know you wouldn't want me sad,
So every day, I smile and think of you.
Love and miss you always. (LW)
