

Asbestos Awareness and Support Cymru

## ONLINE SUPPORT GROUP

We would like to invite you to join our online Zoom Support Group meeting for those living with asbestosis and pleural thickening on Tuesday 14th November at 2pm.

We are delighted to be joined by Jenny Lynch-Wilson (Interstitial Lung Disease Lead Nurse Specialist ) who will share information and will be happy to answer questions relating to treatments and symptom control.

These online meetings are informal, friendly and informative providing an opportunity to meet with others with a shared understanding from across Wales in the comfort of your own home!

Please call Jo on 01495 272479 for more information, joining instructions and guidelines and also to confirm attendance.

We look forward to meeting you online!
